## *Eyelash Extension* *After Care:*

- Avoid getting lashes wet for 24 hours
- Use oil free makeup remover
- Avoid oil based products and waterproof mascara
- Clean the lashes only with extension safe shampoo
- Gently brush lashes daily to maintain a good appearance
- Avoid steam, saunas, heat, water or heavy workouts causing sweating
- Use caution when blow-drying hair, high heat on lashes could distort the shape of the extensions
- Never pull off the eyelash extensions as this may pull out your natural lash
- Do not curl lashes
- Sleep on your side or back avoiding the face area
- Schedule your refill within 2-3 weeks of your initial lash appointment
- Use LVSH lash care products for best results!
